How to learn American accent - Quora

Secondly, seriously why do you want to learn American accent? I'm not against an American accent as such but I'd rather suggest a British accent if I had to. However, for you answer, what I feel is that watching Hollywood movies can help you a lot in this matter. Movies that are not based in the UK is what I want to say. You can listen to them speak and practice the dialogues because that's **Acting : monologue for American Accent by Angela Walters**

I am going to LA in November to do some workshops and audition to casting directors. I need to have a monologue preferably in an american accent. I have been searching for so many months and cant find anything for my type. Judging from the last group which went out there, they were looking more for
