Temporality pervades the dynamic joint of existence, and
the human being as such. As human beings unfold through
ontopoiesis, each move of which punctuates the
temporality of life, they, whose life experience,
deliberation, planning, reflection and dreaming are
permeated by temporal motivations and concerns, feel that

Having the human subject the creator at its center,
literature is essentially engaged in temporality whether that
of the mind or of the world of life through the creative
process of writing, stage directing, or the reader's and
viewer's reception.
