Long Road 2 global ethic now de

Anyone who reads my 1990 book Global Responsibility with an open mind may well be struck, without even really thinking about it, by how many preliminary stud- ies and prior decisions have found their way into this relatively short volume. A discussion with a group of theologians was an occasion for me to re ect on my own long road to the Global Ethic Project, to analyze the different stages

It just crossed my mind that I have seen high draw on a transmitter. It occurred when there was a crack in the centre conductor inside the coax to the antenna. Do a continuity test on the centre conductor of the coax. When you do that continuity test try wiggling the connectors while hooked up to the VOM. Your problem can also be caused by a cold solder joint or a bad crimp in a connector
